Columbia, SC 29212

Flying Site Location: Wildcat Rd.
Fort Jackson, SC.

29 APRIL 2011

MEMORANDUM FOR DIRECTOR OF EMERGENCY SERVICES

SUBJECT: Jackson Flyers Association

1. The Jackson Flyers is a private organization that operates a model flying field on Wildcat road. Official correspondence to Fort Jackson shows the club to be in existence as far back as December, 1978, when members were flying at Hilton Field. We are a chartered club with the Academy of Model Aeronautics, a national Model organization.
2. The club is in good standing with MWR. All reports, minutes, and financial records are submitted in a timely manner in accordance with appropriate Orders and Regulations.
3. The club averages 35 members per year. Some member ship was lost after the Wildcat road gates were closed after 9/11. Some of the members use the field twice a week and experience lengthily delays at gate two. We are requesting that the members that are not retired or on active duty be allowed to utilize the other gates at Fort Jackson.
- 4 If more information is needed to assist in this request please contact me at:
(H) 781-3350 , (C) 331-8746.

A handwritten signature in black ink that reads "James A Malek". The signature is written in a cursive, flowing style.

James A Malek
CW4 US. Army ret.
President Jackson Flyers Association
