

JFA Meeting June 2nd, 2010

Minutes

7 members in attendance...

- Show-and-tell: no show and tell tonight.
- Treasurer's report: no treasurer's report tonight.
- Safety report: we had a major incursion of Army orienteers at our impromptu Sunday fly-in. After some discussion it was decided that pilots should land immediately during these major incursions, then wait for the troops to pass (along the beach), then take-off again. This new guideline excludes small electrics and low speed, high-altitude cruisers (like Butterflies).
- New business: The new website is up and running!

The new site features a modernized look, with our club logo, and a simplified log-in. And the new roster has now been alphabetized.
- Field report: The field looks great.... although some hooligans have been doing doughnuts on our lawn. And we will be requesting a tap into the new water line that is going in along Wildcat Road.
- Communications: following a member suggestion, we will be drafting a welcome letter from the president to be sent (via U.S. mail) to all new members who join the club. Therefore, the new annual dues will need to be increased from \$50.00 to \$50.42.
- The meeting was adjourned.
